

The Player Piano Group

Bulletin Index

Issues 1 – 230

This document reproduces the contents pages of all Bulletins in booklet format and earlier newsletters - it is OCR (optical character recognition) scanned. You can use your PDF viewer's find function (CTRL+F for Windows, or CMD+F for Macintosh) to search for specific words, phrases or authors. The majority of Bulletins themselves are not OCR scanned in order to protect private information.

The PPG would like to thank Malcolm Billingsley, Lynn Brice, Edward Cheese, Robin Cherry, Owen Cooper, Benjamin Ely, Arthur Jones, Rowland Lee, Helen McLaughlin, Ian McLaughlin and David Perry for volunteering their time to catalogue these documents and compile this index.

The original source documents were provided for scanning by Roger Buckley, Peter Davis, Edward Cheese & Julian Dyer.
